## FLY FISHING AT PUNTA ALLEN (BOCA PAILLA) COZUMEL

Ascension Bay is one of the most productive salt water flats in the world. It is located two hours south from our hotel. It has become a fly fishing and light tackle Mecca ever since Florida Keys guide, Capt. Jan Isley, first discovered this wonderful fishery in the mid-eighties. It lies in the heart to the Sian Ka'an Biosphere Reserve in the tiny, lobster fishing village of Punta Allen (pop. 400). The Reserve contains well over one million

acres stretching along the beautiful Caribbean coast of eastern Mexico. Sian Ka'an ("birth of the sky" in Mayan) is the home of over 300 species of birds, and many rare or endangered species of land and aquatic animals such as the manatee and jaguar.

Half Day      399 USD x 5 persons.

All Day        599 USD x 5 persons.
